****UPDATE****

STATE ROUTE 198 HANFORD EXPRESSWAY LANE CLOSURES CANCELLED FOR THIS WEEK

The California Department of Transportation (Caltrans) in cooperation with Flatiron Construction will continue night-time lane closures next week as part of the State Route 198 Hanford Expressway Widening Project in Kings County.

Night-time lane closures will be as follows (weather permitting):

Previously scheduled lane closures for this week have been postponed until next week, weather permitting.

This \$50 million dollar project will convert an approximate 10 mile section of existing two lane conventional highway to a four lane controlled access expressway. The project limits are in Kings and Tulare Counties from east of State Route 43 in Hanford to west of State Route 99 near Visalia. Approximately 7 miles are in Kings County, with approximately 3 miles in Tulare County.

Caltrans would like to thank the residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please **Slow of the Cone Zone**.

For updates and information regarding lane closures, commuter alerts and construction schedules during the length of this construction project, visit the Caltrans District 6 website, at www.dot.ca.gov/dist6 and click on the Hanford Expressway logo.
